

Direct Screen Colonoscopy Program

It may be time for you to come in for a screening!

Colon cancer screening is one of the most important things you can do for yourself. Screening for colon cancer saves lives and is highly recommended after the age of 45. Colorectal cancer is highly preventable and has a high cure rate if caught early.

MOST INSURANCE PLANS WILL COVER THIS PREVENTATIVE SERVICE AT 100%.

Our Direct Screen Colonoscopy Program® offers a simple solution to your preventative care needs by expediting scheduling and avoiding an extra office visit. We schedule your colonoscopy directly with one of our experienced physicians.
